

3. Inspirational Stories of Employees Facing and Overcoming Challenge

Each month we feature an employee with a challenge and video how they handle that challenge. This gets the employees involved.

Employees Overcoming Challenge: Susan Lloyd

Susan is a single mom with no family near. She solved the problem of not having anyone to assist her by getting to know her neighbors and coworkers and asking them if they could share or swap childcare during the week. She found one neighbor and one coworker who were very happy to have some help also.

Suggestion: Create a bulletin board like a baby Craig's list with the needs in your company, or create a place in your newsletter to help your colleagues connect and support each other.
